Gracious living and luxurious style are evident inside and outside of this Territorial-style home, set on more than 18 acres of land in the Arroyo Hondo area. Elegantly-appointed, the 5 bedroom, 8 bath estate with a refreshing swimming pool and 540 sq ft pool house offers refined details and craftsmanship throughout. The approximately 8000 square feet in the main house and lush landscaping throughout the grounds make this a home that's ready to accommodate your varied needs, from relaxing while taking in the views or wandering through the courtyards to hosting events and entertaining under

the vast portals. A spacious, well-equipped kitchen beckons the cook, while a library lined with built-in bookcases fosters the urge to linger, read and unwind. The spacious master suite with its bathroom oasis provides a respite from it all with its claw foot tub, glass shower and lounging area. A private well, baseboard hot water heating, insulated windows, an extensive drip irrigation system, and a security system provide essential infrastructure. Situated at the end of a road, this private, walled compound with a two-car garage and 12 off-street spaces is a tranquil retreat from the world.
