1119 Piedra Rondo

3 Bedroom / 4 Bath / 5044 SF

\$1,850,000 • MLS # 201901234

This one level luxurious 3 bedroom, 4 bath home in Sierra Del Norte offers peace and quiet, incredible views, yet easy access to all that is Santa Fe. Set on more than 1.2 acres, it exudes comfort and class from entry to portal, with elegant touches throughout. The dramatic entry opens to a lovely foyer, and then to a bright gallery with ample space for art. The entire house is on one level, with no interior steps for easy access to all rooms. The kitchen has extensive cabinetry and a comprehensive array of appliances. There is ample working room, including a center island that houses the cooktop, and an eat-in dining area. The wet bar just off the kitchen, combined with the formal dining room with built-in sideboard and cabinetry, make hosting events a breeze. The master

bedroom is spacious, with the warmth of wooden floors, a fireplace, and an ensuite bath that includes a jetted tub with a view. Work from home in a large study with built-in cabinetry and access to a patio. Generous storage space and built-in closet systems help keep things well organized. The grounds are nicely landscaped with drip systems for low maintenance, water features, and a fully enclosed yard for pets. Fireplaces on both the long, deep portals invite outdoor entertaining, along with a built-in grill and expansive sunset views to the west. Water purification and water softening systems add to your comfort, and an attached 3-car garage with direct entry to the house provides convenience.
